

# **How does soil health protect our watersheds?**

Join us for a free webinar:

**Wednesday July 21<sup>st</sup> at 7pm**

to learn about the connections between soil  
health & water quality.

Learn what YOU can do, on your own  
property or in your community, to protect  
the Lake Champlain Basin.

**LEARN MORE AT**

**COMPOSTING**[VERMONT.ORG/SOIL-BUILDERS](https://www.vermont.org/soil-builders)

Organized by the Composting Association of  
Vermont, in partnership with Friends of  
Northern Lake Champlain and Franklin County  
Natural Resources Conservation District.
